

AMITYVILLE PUBLIC LIBRARY MISSION STATEMENT

The Amityville Public Library serves all residents of the Amityville Union Free School District, encompassing East Massapequa, North Amityville and the Village of Amityville. The Amityville Public Library provides materials, programs and services that support the general recreational, informational and technological needs of the community.

The Amityville Public Library offers a welcoming, accessible and comfortable environment in order to provide Library Services.

The Library is committed to reviewing its short and long term goals to address the changing needs of the community.

ROLES

- 1) Popular Materials Center - The Library provides current, high-demand, high-interest materials in a variety of formats for persons of all ages.
- 2) Reference Library - The Library actively provides timely, accurate and useful information for community residents.
- 3) Learning Center - The Library provides materials, services and referrals to assist students and researchers, of all ages, in their formal and/or independent studies.
- 4) Pre-Schoolers' Door to Learning - The Library encourages young children to develop an interest in reading and learning through services for children, and for parents and children together.
- 5) Technology Center - The Library serves as the gateway for the community to access the vast array of resources available in electronic format and provides the up-to-date tools and technologies necessary to access those resources. The Library will utilize all available technologies, in a variety of formats, to successfully fulfill its mission and roles.
- 6) Library Activities Center- The Library schedules programs, activities, services and meetings to complement its mission and roles. The Library supplements print and non-print materials and resources with educational, recreational and cultural programs, for all ages.
