

With renovation on the horizon, we have a meaningful opportunity to reimagine our library for the future. I see this as a chance to restore not just the building, but the experience—making it more accessible, vibrant and responsive to our community’s needs. As a lifelong Amityville Library patron, I’m eager to move this process forward with results our community can see and feel

- Masters’ degree, Library & Information Science
 - Long Island University @ CW Post -2010
- 7 years’ prior experience as Amityville Library Trustee (2001-08)
