

Hi, my name is **Lauren Scanlon**, and I am running to join the Amityville Public Library Board of Trustees. After graduating from Stony Brook University with a minor in French, and Bachelor of Science in Biology and Master of Arts in Teaching Biology, I started working at Forest Hills High School in Queens. I am still working there and am currently finishing up my ninth year. I teach Chemistry and Introduction to Competitive Research.

Outside of work, I enjoy spending time with friends and family, as well as my two adorable kittens. I enjoy reading the hottest new thrillers and seeing all sorts of movies. I also enjoy cooking and board games.

I have lived in Amityville for almost two years now and have loved it. So much so, that I want to get more involved in the place I call home. As a teacher, I know how important it is for students of all ages to have access to all sorts of information and opportunities. What better way to join my interests and experiences and want to be part of something to help improve our community! The library and its resources have always been an important part of my life and holds a special place in my heart. That is why I want to run for the Amityville Public Library Board of Trustees - I want the Amityville Public Library to bring the same joy and memories to members of our community as it did, and still does, to me.
